Heather-Drew Westphal Keep fighting against political correctness and for America and those numbers will keep rising! The pollsters need to ask people who have never voted but are registering Republican in droves to vote for Trump. They don't poll those folks because this election is gonna be a BLOWOUT #MakeAmericaGreatAgain

Bruce H Garrett Proverbs 14:34..." righteousness exalts a nation, but sin is a reproach to any people." Put the Buckeye colors on when addressing the people of Ohio. They love it when Penn State plays them. What a rivalry! You can't hear yourself think in Happy Valley or at State's field.

Linda Johnson Piel Thank you Ohio... I know this is a tough election.. but we do know Hillary is sick, Hillary is corrupt and Hillary is a liability... If Trump wins and he does not do a good job we Republicans will be the first to admit it and vote him back out again... I am talking about we the people they are to serve not friends in high places..
